

My People,

In this fallen world system, you are about to see and hear of such devastating, despicable things taking place that will appear to be beyond your wildest imagination that there could ever be such awful things appearing to take place.

Do not be concerned, worried nor afraid,
Neither give heed to these fables.

These things are the last dying groans and cries of a corrupt demonic system that has been operating in this world since the beginning of your time.

As it falls into oblivion, remember, I told you of this in my word, this had to take place to show you the depth of evil and corruption that have filled this dying world system

Now is the time I spoke to you of, the time of My Will being done on earth as it is in heaven

I AM bringing you into My Kingdom of Righteousness and Peace and Joy in the Holy Spirit just as I promised you.

What I ask for you now, is that you fix your eyes upon continually upon Me, your salvation, for I will guard you, I will govern you and I will keep you in My Grace and you will make your way prosperous into Salvation in Me.
